

string.c

```
graph TD; string_c[string.c] --> types_h[types.h]; string_c --> x86_h[x86.h];
```

A diagram illustrating the dependencies of the file `string.c`. At the top, a gray rectangular box contains the text `string.c`. Two blue arrows originate from the bottom edge of this box. The arrow on the left points to a white rectangular box containing the text `types.h`. The arrow on the right points to another white rectangular box containing the text `x86.h`. All boxes have a thin black border.
